

# Some considerations for determining school readiness

- Is my child emotionally ready for the challenges of school?
- Can my child mix well with others?
- Does my child separate from me easily?
- Will my child flourish in a structured environment or does s/he need a more relaxed, unstructured one?
- Does my child listen well and respond appropriately to instructions?
- Does my child communicate effectively?
- Do I want my child to go to school because it will be more convenient for me, or because s/he is ready?
- Will another year in preschool be more beneficial for my child?
- Will my child cope with the tiredness of five days at school?
